Build the Experience!

IMPACT EXPO is the annual kickoff event of the new year for Indiana Pentecostal Church of God Student Ministries, created to inspire young people to impact their world by providing them an opportunity to share the love and message of Jesus Christ through the creative and fine arts. Impact Expo is creatively designed by weaving together a God Encounter and Talent Expo resulting in the ultimate IMPACT Experience.

God Encounter, where God's presence and His people collide! You will see, hear, and feel the love and power of God as a variety of special guest speakers, singers, artists, worshipers, dance and drama teams demonstrate and deliver the message of God's hope and love.

Talent EXPO, an opportunity for students and children ages 6 -19 to worship God and deliver His message through the art of dance, drama, music and writing. Registered contestants can elect to participate in a variety of categories within their respective Division.

- Division 1 - ages 6 to 12
- Division 2 - ages 13 to 19

Contestants receiving a minimum score of 225 points placing first in their respective division's category will be eligible to represent Indiana in the Impact National Expo at Summerfest in Dallas, Texas, June 2012.
